DECLASSIFIED Authority 7,507 Byold NARA Dar 03/07/06

(GO No. 9, Hq 359th Inf, 3 Aug 42, contid)

(3) These details will be equipped with buckets of sand, fire extinguishers and necessary tools,

f. Guard Detail:

(1) The guard will remain at its posts and be prepared to prevent any attempts at sabotage within the 359th Infantry area. Ball ammunition will not be fired at ground targets within the area except by guards with guard ammunition or by order of a commissioned officer at a definitely identified enemy.

(2) The Mortar Platcon of Company "H" will report to the Regimental O.D. to be posted immediately as additional guard.

4. To clear the Regimental Area of all troops and vehicles except those detailed as fire guards and interior guard the following actions will be taken: a. Vehicles: Vehicles will be dispersed in areas and via routes in-

dicated in Annex #1.

(1) Sufficient anti-tank prime movers will be dispatched to antitank company and Battalion Headquarters Companies areas where all 37 mm antitank weapons will be coupled and moved to the vehicle dispersion area.

(2) Orders, route map and dispersion plan will be promptly posted in the Dispatch Office and will remain on display at all times. Lights will be used as long as moving on highway but will be turned off when vehicles leave road. Maximum speed of vehicles:

Day	wap	25	MPH	
Night		15	MPH	

b. Foot elements: All foot elements will move to dispersion area via routes indicated on Annex No. 2.

(1) Heavy Weapons Companies and Weapons Platoons will man-handle all weapons except 37 mm guns to Dispersion Area.

c. Ammunition:

 (1) Ammunition Dp, 359th Infantry -- Message Center.
(2) Ammunition Dp, Battalions -- Battalion Message Center
(3) Ammunition will not be issued to troops until ordered by the Commanding General. At that time the following approximate amounts will be issued:

Each rifle -- 2 clips Each BAR -- 2 magazines Each MG L & Hv- 2 belts

d. Attacking aircraft within range will be fired upon .

e. Terrestrial targets will not be fired upon except by outpost troops and guard details.

f. After sounding of the "ALL CLEAR" signal, troops and vehicles will remain dispersed until their return to camp is ordered by these headquarters. They will then return via the same routes as prescribed in moving out to dispersion area.

g. The Regimental Surgeon will establish an aid station in the vicinity of the Regimental Message Center.

5. Command Posts (See Annex No. 2)
